""TIS gave me a lot of opportunities to explore my areas of interest. It has really prepared me by allowing me to meet different people from many areas, and that diversity and development of my social skills really helps me in my career. At TIS, your days are never the same. You are always learning new things and meeting new people, which makes me not afraid to put myself out there"

- Jonathan Ruggles, Class of 2023

STUDENT UNIVERSITY ACCEPTANCES

At TIS, we offer individualized academic guidance to help students navigate their educational journeys. Our students are not only eligible for various scholarships but also benefit from tailored support that enhances their academic experiences.

TIS emphasizes a holistic and personalised approach to education, nurturing not only academics but also the skills and attitudes essential for lifelong learning and community engagement. We believe that education should empower students to excel in all facets of life, equipping them with the tools to thrive both inside and outside the classroom. Our commitment is to develop well-rounded individuals prepared for the challenges and opportunities that lie ahead.

WHY CHOOSE US ?

- **Exclusive Dual Diplomas:** TIS is Macao's only school offering both Alberta Accreditation and the International Baccalaureate (IB).
- **Top Tier Education:** As a leading Alberta Accredited institution, we deliver the IB Primary Years Programme (IBPYP) and Diploma Programme (IBDP), setting the regional standard for international education.
- **IB Excellence:** IB is globally recognized as the gold standard, preparing students for university with critical thinking skills, global perspectives, and a strong academic base.
- **Student-Centered Learning:** Our approaches focus on student growth and fostering lifelong learning in every child.

OUR APPROACH

TIS believes students are best prepared for the future by cultivating skills and attitudes that enable lifelong learning and caring for the community. The primary aim of education is not simply to enable students to do well in school, but to help them to do well in the lives they lead outside of school.
