DROP-OFF

Upon arrival at school, students and any accompanying parents should proceed to the playground area. Children should not be left unattended in the playground or enter the classroom hallways before supervision begins by TIS staff at 8:15 a.m.

Should parents require to talk to their child's teacher, they are welcome to drop into the classroom after 8 a.m., however students must stay downstairs until 8:15 a.m.

When the bell rings at 8:25 a.m., all remaining students must go to their classrooms.

PICK-UP

Changes to Pick-Up Routine: Please inform the homeroom teacher of any changes to the usual pick-up procedure for your child. If the change is for that day, parents must call and inform the office directly.

RECESS BREAKS

During the elementary recess, Grades 1 to 2 students play in the main playground area and soccer pitch area. Grades 3 to 6 students play on the front field and the basketball courts.

LUNCH

Students in Grades 1 to 6 eat lunch in the MPR with a staggered eating time for all the grades. Students may bring a bag lunch or may participate in the school lunch program offered by the designated food services operator. Lunch orders are done on a monthly basis. Students are expected to clean up their areas prior to being dismissed to go outside.

If a child forgets a lunch, it may be dropped off at the office. Parents must sign-in at Security. Please refrain from regularly bringing your child their lunch.

Students are not allowed to leave the school campus at lunch to eat elsewhere. Ordering food from an outside provider and having it delivered to school at lunchtime is prohibited. The food will be confiscated when this happens.

Note: TIS is a “Nut Aware” School

Student safety is always our first priority. Some of our students have severe allergic reactions to nuts; they also pose a choking hazard for our younger students. Some classrooms may be classified as “nut-free” if there is a child in the class with nut allergies. Parents will be made aware if their child’s class is a “nut-free” classroom and will be asked to refrain from sending peanuts (or other nuts) to school with their children.

CLOSED CAMPUS

TIS is a closed campus. Students are not allowed to leave the school campus during school hours unless accompanied by a teacher or signed-out by a parent/guardian. All parents are required to register for a Parent ID badge that must worn at all times on school campus. Additionally, students from other schools are not permitted on campus unless they are here for a school activity or if they have permission from the Principal or Vice-Principal.

ATTENDANCE

Attendance is a key factor in student success. All absences affect student progress and achievement. It is the parents’ responsibility to ensure that children attend school regularly and punctually.

Whenever possible, parents should notify the homeroom teacher and school office of an absence before it occurs. A child who is sick must stay home for his/her own benefit and to avoid spreading the illness. Parents are to contact the nurse or first aid attendant regarding any medicine that is to be administered. In some instances, the School may request a doctor’s note to be presented to confirm the student is fit to return to school following an illness.

When a teacher believes that poor attendance or lates are affecting a student’s achievement, the teacher will arrange a meeting with the parent/guardian to discuss the problem. If attendance continues to be a problem, the student will be referred to administration, which can result in academic contracts, or even expulsion.

LATE ARRIVALS & EARLY DEPARTURES

Late students must sign in at the South Wing Office prior to going to class. If a student must leave before the end of school, he or she must obtain a note from their homeroom teacher and sign out from the South Wing Office. The student should bring a note from home or the school will contact the home to ensure that the parents give permission for the student to leave early. Students are not allowed to leave the campus without prior parental permission. Students who frequently arrive late to school may face corrective action.

SCHOOL RULES

The School believes that good student behavior is a necessary condition for a safe and effective learning environment. Therefore, there are guidelines for behavior. These guidelines are based upon the consideration of safety, respect for others, and the provision of an environment conducive to learning and personal growth.

Students may only participate in activities that do not infringe on the rights, feelings or safety of others. Tackle games, tripping, play fighting and other forms of rough play are not acceptable.

Students are expected to walk through the school building in a safe and orderly manner. There is no running in the corridors or on the stairs.

RESPONDING TO BULLYING

At TIS, any form of bullying - physical, social, emotional, online, cyber or other - is not tolerated. Students are strongly encouraged to be upstanders rather than bystanders and to report any form of bullying immediately to a member of staff. A report can be lodged to inform student services with administration of any concerns or incidents by completing the [Confidential Bullying Report Form](https://tis.edu.mo/people/students) on TIS Website <https://tis.edu.mo/people/students> (Quicklinks => Students => Web links => Bullying Reporting Form)

STUDENT RESPONSIBILITY

It is an expectation that students wear the proper uniform, follow the language policy, and arrive on time and prepared for class.

OUTDOOR PLAY

Students in Pre K to Grade 6 must wear a hat while outside. If a child does not have a hat, he/she spends the recess in the designated shaded area.

LANGUAGE USE

It is highly recommended that students only speak English at school, including lunch and break times. The purpose of this is to encourage students to improve their English skills through its practical application. Additionally, English is the language that is 'common' to ALL students; we are an 'inclusive' school, so our goal is to include everyone because we are all speaking the same language.

TIS DIGITAL RESPONSIBLE USE POLICY

TIS supports the use of information technology for learning. Members of the TIS community are required to act ethically and responsibly in their use of technology and social media when such use relates to or may impact the school and its members. It is expected that the values of respect, fairness, responsibility and honesty are always demonstrated in communications and actions.

Digital citizenship is a high priority for our school. Students are expected to utilise the available technology in a responsible manner. Tech-based indiscretions, which include the inappropriate use of social media (on and off campus) are taken very seriously and may have significant consequences.

All electronic devices should be used to promote genuine learning, research and positive communication. Devices should be used at the appropriate time, with the teacher's permission. They should not be a source of distraction or disruption of the teaching-learning environment. When not required by a teacher, personal electronic devices are to be kept out of sight and turned off.

Devices must not be used to cheat, endanger or violate another person's reasonable expectation of privacy. The taking of images without a person's permission is not permitted. All students are expected to sign a Responsible Use Agreement at the beginning of each academic year. Violation of these rules may lead to the devices being confiscated during school times, and/or the student's school email address may be blocked if necessary.

MOBILE PHONES

Elementary students are not permitted to use their phones in class or during breaks. The phones must be kept in their lockers for the duration of the school day. Teachers may confiscate mobile phones when students do not comply with this rule.

OTHER ELECTRONIC EQUIPMENT and VALUABLES

Students are discouraged from bringing electronic equipment and valuables to school. The school will not be responsible for lost, damaged or stolen equipment.

BACKPACKS and PE LOCKERS

Upper elementary students will not be permitted to bring backpacks into the class. Backpacks are to be kept in their lockers. Lockers should be locked and the combinations should be kept confidential. Students are provided a lock at the beginning of the year and it is their responsibility to return it at the end of the year.

ELEVATORS

Students may not use the elevator. Students with disabilities or injuries may request an elevator pass from the North Wing School Office.

ELEMENTARY ASSESSMENT and REPORTING POLICY

TIS uses an outcome based system in each grade to assess and report on student learning. Elementary students are assessed using clearly defined learning outcomes reporting the most recent, consistent levels of performance. The learning outcomes are reported according to the child's recent ability to consistently meet the specific learning goals in the curriculum using the following scale:

- Excelling
- Meeting
- Approaching
- Not Yet

PLACEMENT POLICY

GRADE LEVEL

TIS strives to place students with their age-appropriate peers. Since new students come from a variety of academic systems, the school uses the following criteria to determine the appropriate grade level for a student:

- The age of the student;
- The student's CAT (Canadian Achievement Test) score and/or Admissions Test results and/or interview results;
- The student's past educational performance and experiences;
- The potential for the student to be successful in his/her future studies at TIS; and the grade in which the student is applying to enter; and
- Students will not be accepted into a grade more than one year above/below their age-appropriate level.

CLASS LISTS

TIS provides inclusive, heterogeneous classes. Students are not placed in classes by ability, commonly referred to as 'streaming'. Every attempt is made to make each homeroom in a grade level as similar to other classes at the same grade level. Each year, class lists are developed with the following considerations:

- Male and female ratio;
- Ratio of native English speakers and English learners;
- Diverse academic abilities; and
- Relationships between children.

The school develops homeroom class lists. Parental requests for preferred teachers are not considered.

PROMOTION and ACADEMIC EXPECTATIONS

When the learning progress of a student does not meet the requirements for success in the subsequent grade, teachers or administrators will provide notification to parents in such instances, with an aim to implement processes for support. If issues persist, the teacher shall alert the Principal. The Principal, in consultation with the teacher and parents, shall determine which grade placement will provide the most benefit for the student's learning.

SCHOOL UNIFORM

UNIFORM POLICY ENFORCEMENT

School uniform is compulsory for all students. The uniform policy is to be enforced during school hours or when students are on the school premises (unless specific activity permits).

Uniforms can be purchased at the school uniform shop located in the North Wing, Room 1540.

An assessment will be made and treatment provided as necessary. Parents will be notified if the illness/injury warrants examination by a doctor and/or the student needs to leave the school early. Parents will be contacted and asked to pick up sick or injured children.

ROAD SAFETY

TIS experiences heavy congestion before and after school. Please use the designated crosswalks (zebra crossings) at all times. Drivers are reminded to practice extra care, drive slowly, and follow the directions given by staff directing traffic flow.

SCHOOL SERVICES

TECHNOLOGY

TIS students are fortunate to have access to some powerful digital tools for learning. These tools are used in many ways and for many different purposes. We have interactive whiteboards, Apple TVs, iMacs and laptops; we use Google classroom, Gibbon, WordPress and Google Drive; students use video and photography, animation and stop motion techniques; they research and present; create and share; work in classrooms, in labs and are mobile.

Our goal is to help our students be socially responsible, digitally literate lifelong learners. Being digitally literate means that our students will have the knowledge and ability to use technology competently and strategically to connect and collaborate with others, to produce and share original content and to use the Internet and technology to achieve both academic and personal goals.

LIBRARY

The Elementary Library on the third floor of the North Wing is open from 8:00 a.m. to 4:00 p.m. Monday to Friday.

CURRICULUM NIGHT

In September, the school hosts a Curriculum Night for parents, at which time presentations will be provided to explain the schedule of studies and the educational programs to be used during the year.

REPORT CARDS

Elementary students receive three report cards per year.

PARENT/TEACHER INTERVIEWS and STUDENT-LED CONFERENCES

There are two scheduled times when parents come to the school during the school year.

The parent-teacher interviews are held in November when parents meet to exchange information about their children and parents are informed of recent progress.

Student-led conferences are held in March. Students share examples of their work and take responsibility for their learning. Student-led conferences help promote honest conversations, independence and increased communication between parents, students and teachers. Parent attendance at these conferences is highly encouraged.

ADDITIONAL MEETINGS

Parents may request additional meetings with the academic staff at any time. Please contact the School office to schedule an appointment. Teachers are generally available before and after class.

VIRTUES

Virtues and/or global citizenship are discussed and celebrated at school assemblies each month. Additional achievements are recognized as appropriate.

FIELD TRIPS & EXPERIENCE WEEK

Throughout the year, students will participate in numerous excursions away from the TIS campus. These trips are selected based upon their curricular relevance, feasibility, opportunity and developmental level. In addition to local field trips, upper elementary students will have the opportunity to travel to Hong Kong, China or further afield. It is important that all students participate in local and international trips.

HOUSE TEAMS

All students at TIS are assigned to a House Team in order to help boost school spirit and achieve goals. During different spirit events throughout the year, the four different house teams will compete against one other in various competitions.

INCLEMENT WEATHER POLICY
