The Macau Government is presently maintaining the existing subvention levels for the 2021/2022 school year as set out below.

Grade 1 to Grade 6	$23,140 + 3,000 = 26,140$
Grade 7 to Grade 12	$25,480 + 3,550 = 29,030$

B. Discounts & Allowances

Discounts for families with more than one child in the School are as follows:

- The second child receives a discount of 5% on annual fees
- The third or more children receive a discount of 10% on annual fees.

C. Payment of Fees

1. The Application Fee is payable upon submission of the application form to the School.
2. Once a child has been tested and accepted by the School, a non-refundable Advance Payment for the annual tuition fees is payable within 10 days.
3. When a student enters the School other than at the beginning of a school term, tuition fees will be calculated on a pro rata basis. If a student enters the School from the 1st to the 14th day of any month, the total tuition fees for a full month will be charged for such month. If entry is from the 15th to the end of any month, a half month's fee will be charged for such month.
