REVIEWED: August 30, 2019
AMENDED: August 30, 2019
APPROVED: August 15, 2006

BACKGROUND

TIS is a caring and welcoming institution and we want parents and community members to feel comfortable in our new campus. However, to ensure the safety of all students and staff, ALL Visitors to the School are required to use the School's main entrance and to make their presence and business known to the guard station. Visitors must wear a "Visitor's Pass" while in the building or on the playgrounds. These are acquired at the security station and are to be returned when the visitor leaves the building. Individuals who are in the building without having followed appropriate procedures may be asked to leave. A visitor is anyone who is not in the building as a student, scheduled parent volunteer, or employee of The International School of Macao.

PROCEDURES

1. Student Pick Up and Drop Off
 - 1.1. All vehicles entering the university campus must display a valid parking permit. These may be obtained from the school office.
 - 1.2. To facilitate maximum safety, vehicles shall proceed in a clockwise path around the stadium.
 - 1.3. Students are to be picked up and dropped off by vehicles in the designated areas only. Under no circumstances should personal vehicles be in the bus loading and unloading zone. Such vehicles may be towed without warning.
