

"TIS, a vibrant community with supportive members. Many teachers encourage independent studying methods and gave lots of great advice that I am thankful for, preparing me for university."
Linda Wu, Class of 2022

STUDENT UNIVERSITY ACCEPTANCES

At TIS, we offer individualized academic guidance to help students navigate their educational journeys. Our students are not only eligible for various scholarships but also benefit from tailored support that enhances their academic experiences.

TIS students frequently travel abroad for further study. Thanks to the hard work and dedication of our students and their academic advisors, TIS graduates are accepted into some of the world's most prestigious universities. They receive offers across a diverse range of fields, including but not limited to Medicine, Science, Engineering, Law & Politics, Financial Management, Animal Science, Computer Science, Technology, Psychology, Sport Science & Health, Music, and Arts & Humanities.

*Not limited to, but including, the following:

TIS VISION STATEMENT

Courage to innovate,
Passion to pursue excellence,
Character to embrace challenges.

TIS MISSION

"In a safe, caring and welcoming environment, our mission is to develop socially responsible, life long learners able to problem solve, think critically, and make positive changes in our global community."

WHY CHOOSE US ?

TIS is the only school in Macao that offers two accredited international curriculums. The Alberta Diploma and the International Baccalaureate (IBDP).

Our approaches to teaching & learning emphasises student growth & aims to help your child become a life-long learner.

OUR APPROACH

TIS believes students are best prepared for the future by cultivating skills and attitudes that enable lifelong learning and caring for the community. The primary aim of education is not simply to enable students to do well in school, but to help them to do well in the lives they lead outside of school.

HIGH QUALITY TEACHING AND LEARNING

At The International School of Macao, high-quality teaching and learning is a collaborative, holistic endeavor involving teachers, students, families, the community, and school leadership. We cultivate an inclusive, stimulating environment that nurtures the whole child—academically, socially, emotionally, and ethically. Through thoughtful planning, real-world connections, and a commitment to personal excellence, we prepare students to achieve academic success and to develop resilience, empathy, and a sense of purpose, empowering them to make a positive impact on their lives and communities.
