# IB PRIMARY YEAR PROGRAMME (PYP) AT TIS

A parents guide to how the PYP will integrate with the  
Alberta Curriculum at TIS.

## ABOUT PYP

The PYP is an internationally accredited learning programme recognizing a child's natural curiosity and creativity. It creates an environment that is both stimulating and challenging, which helps nurture the overall growth of a child and encourages them to continue learning throughout their lifetime.

## ALBERTA & PYP

PYP is a comprehensive educational journey focusing on integrating socio-emotional, physical and cognitive growth that goes hand in hand with the Alberta Curriculum due to their strong alignment. The likenesses are seen in:

- Both programmes cover the essential subject disciplines such as Language, Math, Science, Social Studies, Health, PE, Arts & Music.
- Both programmes are student centered.
- Both programmes are enquiry based.
- Both programmes require students to learn through exploration.
- Both programmes recognize that each student is unique.
- Both programmes emphasize teamwork.

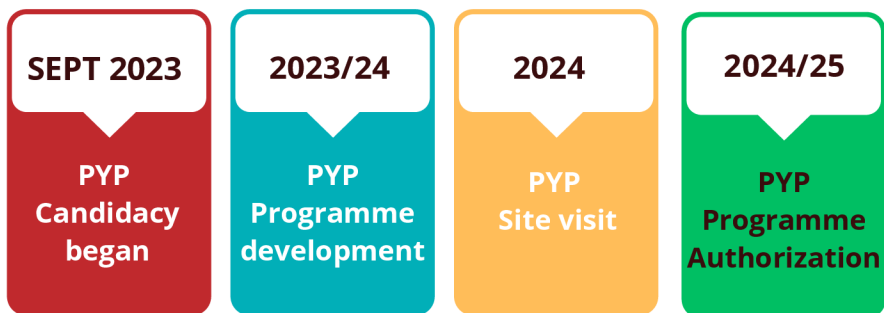

Through the blend of Alberta and PYP, your child will be exposed to a wide range of global and local knowledge. Furthermore, the programme respects the uniqueness of every student, striving to give them a safe space where they can reach their potential and even surpass it.

## OUR COMMITMENT TO YOU

Darwin Balog-ang is a top-tier IB PYP Coordinator with decades of experience and success working with schools worldwide. In addition to his extensive experience, he holds a Masters Degree in International Education Administration. His expertise and qualifications make him an invaluable asset to our school as we strive to provide our students with a comprehensive IB education.

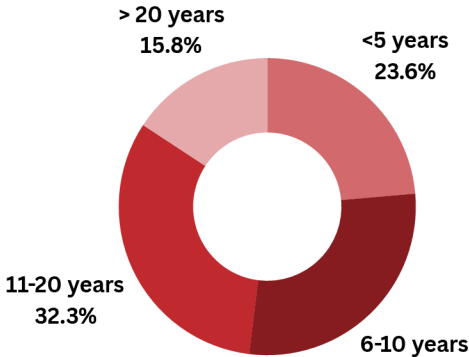

## PYP IMPLEMENTATION TIMELINE

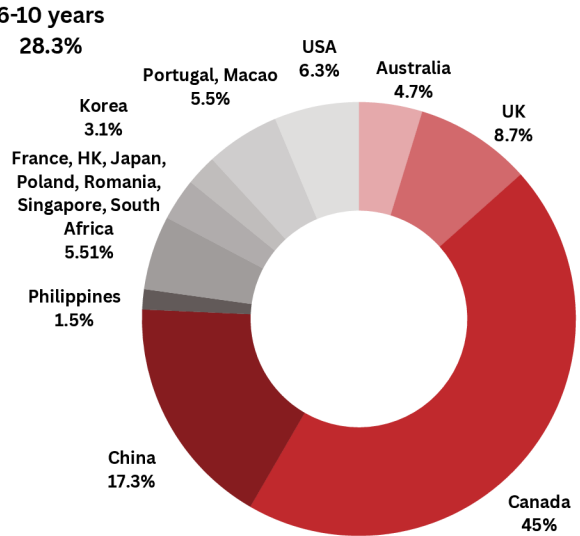

PYP reflects the best of global educational practice an international programme is effortlessly transferable from school to school.

# OUR TEACHERS

TIS puts extensive emphasis on hiring the most qualified and experienced teaching staff to guarantee the highest quality of education.

Most TIS teachers are internationally trained, bringing a unique perspective and cultural understanding to classrooms and helping students better understand the world around them.

## 100%

of PYP & IBDP teachers are IB Trained.
